## SAFEGUARDING STATEMENT

At Norton Junior School the health, safety and wellbeing of every child is our paramount concern. We listen to our pupils and take seriously what they tell us. Our aim is that all children will enjoy their time as pupils at this school.

To achieve this aim we will:

- Provide a safe environment in which children learn, thrive and develop personally and socially
- Identify children who are suffering or are likely to suffer significant harm, and take appropriate action with the aim of making sure they are kept safe both at home and at school
- Have policies and procedures in place to make sure that all people working in school are suitable
- Promote safe practice and challenge any poor or unsafe practice
- Identify instances where there are grounds for concern about a child's welfare and initiate or take appropriate action to keep them safe
- Contribute to effective partnership working between all those involved in providing services for our children

NJS has adopted a Safeguarding Children Policy in line with guidance from the Doncaster Safeguarding Children Board for the safety of all.
